空と海が溶け合う 城ヶ島の岬
 削られた岩に眠る遠い記憶
 風が波をゆらし 光が水面を染めてゆく
 夕陽のきらめき 月の道すじ 碧の彼方に浮かぶ富士
 母なる海に抱かれるとき
 ようこそ ふふ城ヶ島へ

Where sky and sea melt into one, at the cape of Jogashima
 Etched rocks cradle memories of a distant time
 Wind stirs the waves, light colors the surface of the sea
 The shimmer of sunset, the path of the moon across the water
 Mt. Fuji floats beyond the azure horizon
 When embraced by the mother sea
 Welcome to FUFU Jogashima
